

Priliminary Vascular Plant List for Cattle Point
(San Juan Islands National Monument)

From field visits in 2015-2017

Madrona Murphy

For Kwiaht: Center for the Historical Ecology of the Salish Sea

Plants marked with an asterisk (*) are considered to be non-native on San Juan

Trees and Shrubs:

Berberidaceae:

Berberis aquifolium Tall Oregon-grape

Betulaceae:

Alnus rubra Red alder

Caprifoliaceae:

Sambucus racemosa Red elderberry
Symphoricarpos albus Snowberry

Grossulariaceae:

Ribes divaricatum Coast black gooseberry

Pinaceae:

Pseudotsuga menziesii Douglas-fir

Rosaceae:

Crataegus gaylussacia Suksdorf hawthorn
Crataegus monogyna English hawthorn*
Rosa nutkana Nootka rose
Rubus bifrons Himalaya blackberry*
Rubus spectabilis Salmonberry
Rubus ursinus Trailing blackberry

Salicaceae:

Populus tremuloides Quaking aspen
Salix scouleriana Scouler's willow

Ferns and Fern Allies:

Equisetaceae:

Equisetum hymale Souring rush

Polypodiaceae:

Pteridium aquilinum Bracken

Forbs:

Apiaceae:

Daucus carota
Sanicula crassicaulis

Queen Anne's lace*
Pacific sanicle

Asteraceae:

Achillea millefolium
Bellis perennis
Cirsium arvense
Cirsium vulgare
Hypochoeris radicata
Senecio vulgaris
Taraxacum officinale

Yarrow
English daisy*
Canada thistle*
Bull thistle*
Hairy cat's-ear*
Groundsel*
Common dandelion*

Boraginaceae:

Myosotis discolor

Yellow-and-blue forget-me-not*

Brassicaceae:

Draba verna

Whitlow-grass

Caryophyllaceae:

Cerastium arvense
Cerastium fontanum
Stellaria media

Field chickweed
Sticky chickweed*
Chickweed*

Fabaceae:

Lathyrus japonicus
Lupinus bicolor
Lupinus littoralis
Trifolium dubium
Trifolium subterraneum
Vicia americana
Vicia hirsuta
Vicia sativa

Japanese beachpea
Bicolored lupine
Shore lupine
Least hop clover*
Subterranean clover*
American vetch
Hairy vetch*
Common vetch*

Geraniaceae:

Erodium cicutarium
Geranium molle

Crane's bill*
Dovefoot geranium*

Hypericaceae:

Hypericum perforatum

St. John's Wort*

Lamiaceae:

Lamium purpureum

Red deadnettle*

Liliaceae:

Fritillaria affinis

Chocolate lily

Montiaceae:

Claytonia exigua

Serpentine springbeauty

Claytonia rubra

Redstem springbeauty

Orobanchaceae:

Parentucellia viscosa

Lousewort*

Triphysaria pusilla

Dwarf owl-clover

Plantaginaceae:

Collinsia parviflora

Blue-eyed Mary

Plantago elongata

Slender plantain

Plantago lanceolata

Narrow-leaved plantain*

Veronica arvensis `

Wall speedwell*

Plumbaginaceae:

Armeria maritima

Sea-thrift

Polygonaceae:

Rumex acetosella

Sheep sorrel*

Rosaceae:

Aphanes arvensis

Western lady's-mantle

Urticaceae:

Urtica dioica

Stinging nettle

Violaceae:

Viola adunca

Western long-spurred violet

Gramnoids (grasses, sedges, rushes):

Juncaceae:

Luzula multiflora

Field woodrush

Poaceae:

Dactylis glomerata

Orchard grass*

Distichlis spicata

Seashore saltgrass

Festuca rubra

Red fescue

Holcus lanatus

Velvet grass*

Poa bulbosa

Bulbous bluegrass*

Schedonorus arundinaceus

Tall fescue*
